

JOE LIMONE

FOR PLANNING & ZONING

Joe Limone was born in Boston on March 9, 1965. He attended Boston College and New England School of Law and was a litigator for five years in Massachusetts before moving to New York city in 1995.

While in Massachusetts, Joe was a solicitor for the City of Malden which has about sixty-thousand constituents and is located just north of Boston. In that capacity, Joe represented many of the city boards and commissions and in particular the Malden Planning and Zoning Board.

During his fourteen years outside of Massachusetts, Joe has worked at various in-house attorney positions where he has dealt extensively with topics such as land use, environmental enforcement, alternative and renewable energy and natural resources.

Joe has been a member of the Massachusetts bar since 1990 and New York since 1996. Joe has a wife Tracey and three children: Gabriela who is eight, Nicolas who is three and Francesca who is one. Joe and his family have lived in Connecticut since 1998 and have lived on Treadwell Lane here in Weston for the past three years.

Joe and his family enjoy geocaching, fishing and hiking through the Aspetuck Land Trust properties in Weston and surrounding communities.

I would like to serve on Planning and Zoning because I can provide relevant experience based upon the work I did as a city attorney in representing the Planning and Zoning Board of Malden Massachusetts. Additionally I can bring a fresh perspective and input to the ten year plan that is due to the state sometime in 2010. Furthermore, I am a 20 year seasoned attorney who can provide significant expertise, strategy and comprehension in all aspects of land use. Lastly, I want to serve on the Board because my family and I have loved living in Weston these past three years and I would like to give back to the community in a meaningful and positive way.

I want to hear from you 557-4297, limone5656@yahoo.com. Please call or write and let me know what issues are important to you and your family in the coming municipal election on November 3. With your help we can make sure that Weston remains a vital and welcoming place we can all call home.

Thank you for your support,

Joe Limone
