

DIANE FARRELL'S BAD GOVERNMENT COSTS CONNECTICUT'S TAXPAYERS THE GAME.

DIANE FARRELL VOTED TO RAISE THE PROPERTY TAX RATE THREE TIMES. ON ANOTHER PLAY.

Farrell couldn't handle her own Assessor's office. Auditors found that building improvements weren't reflected on assessment records.

FARRELL DROPPED THE BALL.

The untaxed improvements would have reaped the town about \$2 million a year for several years.

SHE COST THE GAME NOW FARRELL IS ASKING TAXPAYERS FOR MORE MONEY.

Eventually, those who were under taxed got big bills, prompting several homeowners to file a lawsuit that remains unresolved.

DIANE FARRELL'S INCOMPETENCE THREW CONNECTICUT TAXPAYERS FOR A LOSS.
